

NAME YOUR RACE:

Cat 1 and C 2 races are taken. Other than that if you want to name a race you can. I'll ammend the flyer and the results will be posted with their name, etc. \$500 of which half will go directly to the Association of the United States Army. \$100 of which will go to additional Primes in that race (except Cat 5 men) Names are subject to promoter judgement. (can not be obscene, political, or competitive to our sponsors)

This is a great way to honor someone or an organization that matters to you.
