PRESS RELEASE

Vittoria Industries Ltd. with an annual production of more than five million tires (mainly for race bikes) and nine hundred thousand famous tubulars all developed and produced in its wholly owned factory Lion Tyres in Thailand, is one of the largest race bike tire specialists and producers in the world. Its mission is to create higher value for its stakeholders and offer high quality tires with the best available technologies to professional riders and bicycle enthusiasts.

More than 15 professional teams (Pro Tour and Continental), several National Cycle Federations and the UCI Technical Centre in Aigle (CH) have used Vittoria tires for their races and training programs for many years. The group operates and distributes its products through its subsidiaries in Europe (Vittoria S.p.A. in Italy), in the USA (Vittoria Industries North America) and Vittoria Logistics Taiwan.

The group owns two brands: Vittoria for road tires and Geax for MTB and trades several third party brands in some countries (3T, Mavic, Fox in Italy; 3T, Northwave, Selle San Marco, BBB in the US).
